Burnie, Trump's Republicans are pushing Social Security to the brink of COLLAPSE.

They'll do anything to help Trump pocket Social Security for his billionaire buddies.

IT GETS WORSE: MAGA Speaker Mike Johnson has made it his #1 priority to SLASH Social Security once and for all... **he wants to cut it by TRILLIONS!**

We need a foolproof strategy to save Social Security for Americans everywhere!

We have a SIGNIFICANT lack of data from your area, so we REALLY need your response before 11:59 PM. Click here or the button below to begin >>

Thank you for supporting the Progressive Turnout Project. We're a 100% grassroots-funded organization with a single mission: rallying Democrats to exercise their right to vote.

Our Mission: Rally Democrats to Vote.

The best way to turn out voters is with one-on-one conversations.

Progressive Turnout Project is built around this truth, proven time and time again by researchers — including us. On average, **our field work boosts voter turnout by more than 10 percent.**

How are we different from everyone else sending you emails?

Our Turnout Teams talk to inconsistent voters who are likely Democrats, so they don't need persuading on who to vote for. They just need a nudge, some information, and to hear from a real person. That means every eligible non-voter we're able to reach brings Democrats closer to success on Election Day.

Compared to expensive TV ads, research has proven we have a much larger impact for our investment. Burnie, that's why we send you so many emails. The success of our work can make or break an election. And we're entirely funded by grassroots donors.
